

Skunk Brothers Spirits, Inc. 40 SW Cascade Ave, Ste 45
PO Box 1505, Stevenson, WA 98648

To the Port of Skamania,

Dear Cindy,

As you are aware, due the ships not porting here in Stevenson, we have lost a lot of revenue from not having patrons from those cruises. It was the lion share of our income last year. This has been one of the lowest years we have had to date. We are writing you to request a proposal for repayment of past due lease payments.

We were in this same situation, for a different reason, as back when my new bookkeeper took over after finding out our previous bookkeeper was misappropriating funds and embezzling from us. The embezzlement has also done more long-term damage to our financial situation than originally anticipated, plus, now, other factors.

We would like to propose a repayment plan that might make it financially easier for us to get out of this situation. What we would like to ask is for our past due amount of \$7681.31 be set up for the repayment over the next 12 months. This would be payments of \$641 added to our current month's payment starting in August. We were faithful to our repayment amount when Jennifer set it up back in Oct 2021, and our goal is to be able to have get this taken care of as soon as we can, but allow us the flexibility so we can more easily operate our business, without the added stress of worrying if we can keep our doors open.

Please let us know as soon as possible what you all are able do to help us with this proposal.

Sincerely,

A handwritten signature in black ink that reads "Scott Donoho". The signature is written in a cursive, slightly slanted style.

Scott Donoho
