Well if you don't need it we will just leave it the way it is. We only meet once a month and would have to call a special meeting to get a new resolution.

Cindy,

I just wanted to let any of the districts know that were affected by the change to be notified. If you wanted to just provide a new Levy Certification that is all I need. Honestly you wouldn't have to do anything but I wanted to let you know that you would be receiving 21.91 less then what I had originally told you. If it was more I would need a new one to make sure you could collect the max. Sorry for any confusion!

Leslie,

I did not receive the email with the change until after I got back to the office from dropping the paperwork off to you. We will prepare new documents and try to get them to you tomorrow.

Thank you
